To avoid confusion please read carefully:

Registrations can be taken anytime at the Village office beginning June 1st. There will be (1) 5th grade team and (1) 6th grade team with only 25 roster spots available for each team. Registration is on a first come, first serve basis and only a FULL payment will secure a place on the team. Registrations will be taken until the rosters are full or the first practice date, whichever comes first! Clinics occurring in June are strongly recommended but no mandatory.

Lastly, if your child is currently in fourth grade and would like to possibly play on the 5th grade tackle team, you can ask for your name to be placed on a waiting list at the front desk. In the event, that roster spots become available on the 5th grade team you will be contacted and payment can be taken care of at that time.

Cost increase analysis:

- * Fees have remained same for last 10 years
- * MHSAA mandates rigorous equipment updates

Parental E-mail address (optional)

* Blissfield has lowest fees in our league with two teams at \$125
